Stamping tips:

Adhere Powder Pink panels to front and inside with SNAIL.

Stamp white layers with Painted Seasons bloom using the "rock n' roll" stamping technique.

Rock n' Roll Technique:

In stamp with lightest color (Powder Pink) Without stamping on the paper, rock and roll the stamped on the darker color (Highland Heather), catching just the petal edges on the ink pad. Stamp on white card stock.

Clean stamp with Simply Shammy before re-inking with the same "rock n' roll" technique to stamp all of the blooms. Clean with Simply Shammy every time before re-inking.

After you have stamped the front panel, the greeting strip, the inside, and the envelope flap & front with the rock n' rolled bloom, fill in the white space between the blooms with the small leaves inked with Pear Pizzazz. Stamp some of the leaves a second time before re-inking for lighter leaves.

Adhere stamped front panel with SNAIL.

Stamp white greeting strip with "WISHES" from More Than Words using Highland Heather ink. Stamp "Easter" from More Than Words over "WISHES" using black ink. Punch with Story Label Punch.

Punch the Powder Pink and Highland Heather with Story Label Punch. Cut both labels in half lengthwise with scissors. Adhere evenly to the back of the white greeting with SNAIL. Adhere near the top of the front fold with a few dimensionals.

Tie ribbon in a bow. Adhere to top of greeting with a glue dot. Trim ends with scissors.

Add rhinestones using a Paper-Piercing or Take Your Pick Tool.

Stamp inside white layer with sentiment from He Is Risen and black ink.

Adhere layer inside card with SNAIL.
