After scoring the Coastal Cabana base at 2 1/2" and 5", score diagonally on the left and right panels starting at the top left corner of both panels. Fold along all scored lines and crease crisply with a bone folder or your fingernail (bone folder works best)

Cut the Let It Snow Specialty paper for the front panels diagonally using a Paper Trimmer.

**Tip:** If you are using both sides of one page of the paper, you will need to cut both panels from the upper left corner diagonally down to the lower right corner.

Adhere the triangular panels to the front panel sections with SNAIL.

Stamp the penguin on white card stock with black ink. Cut with a Layering Oval die. Cut Coastal Cabana with a scalloped Layering Oval die. Adhere together with SNAIL. Adhere to the upper front fold with dimensionals.

Rub Real Red with embossing buddy. Stamp "you're so cool" with Versamark. Sprinkle with white powder. Heat with Heat Tool. Punch with Classic Label Punch. Adhere across the penguin wings with dimensionals. Add snowflake sequins using liquid glue, placing precisely with a Take Your Pick Tool.

Stamp the inside white panel with "To: From:" using black ink. Stamp snowflakes on right side with Pool Party. Adhere inside gift card with SNAIL. Add Snowflake Sequins to the snowflake centers with Liquid Glue and the Take Your Pick Tool. Adhere the Let It Snow strip to the white panel with a thin line of liquid glue, leaving the top edge open to insert a gift card
