Stamping tips:

Adhere DSP strips to black front layer with SNAIL, leaving an even amount of black around each strip. Adhere to card front with SNAIL.

Rub black greeting strip with embossing buddy. Stamp "Smile" on the right side with Versamark. Sprinkle with white embossing powder. Heat with Heat Tool. Adhere to lower area of card front with SNAIL.

Stamp one large and one medium daisy with black ink on Whisper White. Punch with coordinating daisy punches. Punch one large and one medium daisy from black card stock. Layer together with SNAIL, off-setting the petals as you put it together. Adhere to left side of greeting strip with a dimensional. Add a self-adhesive Perennial Essence Floral Center to daisy.

Adhere inside black layer with SNAIL. Stamp inside white layer with "Friend" and small daisies with black ink. Add Crushed Curry to daisy centers with a Sponge Dauber.

Stamp flap and front of envelope to match card as desired.
